**February 10, 2010**  
**6:30 - 9:00 PM**

Speaker:

**The Rt. Rev. George Council**  
(Bishop, Diocese of New Jersey)

Topic: **What Does the Church Say?**

Do your youth often have questions about the church? Ever wonder how to answer those questions? This will be a roundtable discussion on the current state of The Episcopal Church and it's positions and struggles around various issues in the world. Our very own Bishop Council will join us to help clarify these issues and to join in group dialogue on how we can best approach them with our young people. Come on out!

**April 21, 2010**  
**6:30 - 9:00 PM**

Speaker:

**Brother Randy Grieve**

(member of the Order of the Holy Cross  
Holy Cross Monastery West Park, NY)

Topic: **Teenage Spirituality**

Randy Greve is a native of Houston, Texas and spent most of his adult life as a youth minister before joining the Order in 2005. He brings with him a unique experience of both intentional living and working with young people. We will explore the reasons and tools for helping young people make worship, meditation, and prayer a central part of their lives. Come join us!
