We Would Like To Welcome You To Vetoni's!

We are not a fast food restaurant!

We are a cook-to-order establishment, so please be prepared to wait. We are very proud of our recipes and our chefs that prepare them. The marinara sauce and garlic rolls are prepared fresh daily, here in our kitchen. Our food is not pre-cooked before your arrival. Each dish is individually sautéed and/or baked for you. When you are served lasagna, for instance, it is not scooped out of a pan onto your plate; it is individually baked, especially for you. Every pizza we make, our chefs hand toss and then bake. Each pizza will take from 20-25 minutes to cook. We feel this gives our customers the best quality food we can offer, and we believe that our dishes are worth the wait. We hope that you enjoy our handmade garlic rolls. Please understand that in making bread, we use the same recipe everyday but sometimes they may not seem to be the same as the last time that you had visited. This is because the daily temperature, humidity, and yeast factor into how the rolls will turn out. Some things are out of our control but we try and keep all of our menu items consistent. Your first servings of rolls are complimentary and are offered with each meal ordered. You will be charged when requesting additional rolls when ordering pizza, stromboli, extras to take home, or no meal ordered at all.

So please come in, sit down, relax, and enjoy your dining experience.

We Really Care!
