For over 100 years First Baptist Church has been a place where people from across the Lake Granbury area have been coming for great worship, fellowship, preaching, and Bible Study. People of all walks of life are finding this to be a place for building families, creating friendships, and strengthening faith.

I am glad that you are here — whether you are a member or just checking us out. I would suggest that you try out two or three classes, and choose one that best fits your needs. Volunteers at our Welcome Center are always available to help you find your way around.

In Christ,

Reagan
