1 Think about school is 2 some  
people itz 2 come meet up w/ your  
friendz 2 smoke pot or cigarettez ect.  
2 me im coming here 2 LEARN! yes i  
do have absencesz occasionally.  
People should start 2 take charge!  
because their making our school  
LOOK AWFUL! people need 2 quit inter-  
upting classez 2 be smart assez and  
gocked at and laughed w/. im tired  
of not getting my classwork finished  
because studentz have 2 act dumb in  
class! This school wouldnt get looked  
at crooked if studentz didnt make  
it that way! im tired of coming 2  
a place where im supposed 2  
learn and have 2 listen 2 everyone  
talk shit about another person or  
continue 2 talk about BULLSHIT  
that doeznt need 2 be addressed  
at a learning environment! i  
think you understand my point...
