The Oasis of the Seas is truly a one-of-a-kind ship, accommodating over 5,000 passengers. Eighteen decks high, this ship has more than enough to offer any guest. Travel between the seven neighborhoods that divide the ship, experiencing something unique in each. In Central Park, peruse the art gallery or unwind in the sophisticated wine bar. Or for the more adventurous spirits, the Boardwalk offers the world's first onboard carousel and zipline, as well as two rock-climbing walls and two FlowRider wave simulators. Guests can also treat themselves at the Boardwalk Donut Shop or the Ice Cream Parlor. The heart of the ship lies in the Royal Promenade, with a variety of dining and entertainment options. It features Rising Tide: a levitating bar that ascends and descends over three decks. When passengers are ready to indulge their appetites, they can choose from numerous dining options including Chops Steak House, Sorrento's Pizzeria, Seafood Shack and Johnny Rockets®, just to name a few. The DreamWorks® Experience is also featured on every sailing, and includes character parades and photo opportunities, character meals, 3-D movies in the ship's onboard theater and a dedicated DreamWorks® channel in each stateroom. Evening entertainment in the grand Opal Theater includes the Tony Award winning Broadway musical "Hairspray," which will be performed three or four times on each 7-night sailing. In addition to traditional staterooms, the Oasis of the Seas offers state-of-the-art lofts and multi-level suites to accommodate her guests.
