The Tree

Of Life

A Gift That Gives

St. Helen's "Tree of Life" sculpture is carved in rich cherry wood with brass and copper leaves depicting a living and growing tree. The "Tree of Life" provides a unique opportunity for persons to memorialize, honor and celebrate their loved ones. Throughout the ages, trees have symbolized life and growth. Each contribution made for the "Tree" becomes a gift that lives.

About the "Tree"

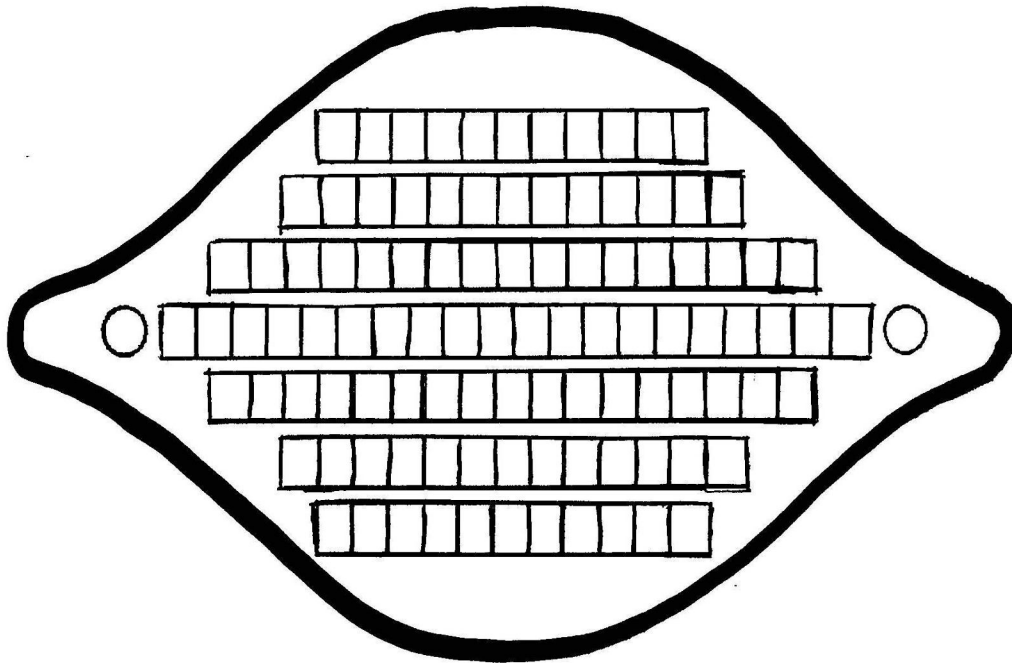

The engraved leaves on the tree, or stones at its base, are a permanent display, recognizing the generosity of our donors. Inscriptions may also highlight or commemorate such joyous occasions as births, weddings, anniversaries and graduations. They can also be used to honor parents, family or friends. Gifts in honor or in memory of a special loved one becomes a lasting tribute to that person.
