

## **Announcement for February 13-14 bulletins in all Gates-Chili churches**

**Bishop Clark has officially approved the Gates-Chili pastoral plan.** Holy Ghost, St. Helen and St. Jude the Apostle will cluster this coming June, while St. Theodore and St. Pius the Tenth remain single parishes. In the words of the bishop, “I commend the sense of prayer and the good spirit that seems to have permeated your planning process, not only among the members of the Catholic Council but the staffs, pastoral councils, and parishioners as well. The achievements in the past year and a half of collaborative efforts in adult faith formation, social ministry, and youth ministry bode well for your future work together.”
