

CATTEN COLLEGE MISSION STATEMENT

- To sustain and improve upon our Ofsted inspection grades via continuous self-assessment and action planning for improvement.
- To fulfil our BCT contract.
- To extend private sector funding by forging strong links with local businesses.
- To ensure that learner centrality is the driving force behind all development.
- To ensure equality of opportunity for all learners, staff and work placements including actively encouraging diversity within all aspects of Catten College.

The values of our company are:

- To continuously improve a high quality provision through self-assessment and evaluation.
- To deliver a high standard of learning to meet performance indicators as required by the Learning Skills Council.
- To ensure our programme addresses the needs of all individuals and businesses using good information, advice and guidance (IAG).
- To show consistency in service.
