

DID YOU KNOW??

(The SEIU Union effects EVERYONE (CNA's, Radiology, Unit Secretaries, Div. Asst., Lab, Central Supply, etc.)

- ◆ Only union RN's were able to vote for UNAC, which affected the rest of all RN's regardless if an RN wanted the union and now HAVE TO pay union dues as a condition of employment! Don't let this happen to you - VOTE!
- ◆ A \$10.00 an hour 36 / 40 hour employee will pay approx. \$1,349.67 / \$1,495.64 union dues over a 3 yr. period. That could've been in YOUR pocket! (Do you have extra money to give away?)
- ◆ Although we can't strike till 2010, the 2.1% + \$1.00 they take for union dues, the \$1.00 is for the strikers fund. (and where does the money go when we don't strike?)
- ◆ According to the National Journal, the President of SEIU (Andrew L. Stern) made \$215,218 just in the year 1998. (and how is his salary paid?)
- ◆ Andrew Stern came up with \$16,000 for Democrat Carey and has already given 3.5 million dollars to the Democrats. This was in 2000!!! Check the webpage: http://www.nlpc.org/olap/UCU2/03_23_02.htm
