

# WE DIDN'T NEED THE UNION TO BE THE TOP 3.4% IN THE NATION!!!!

## The HealthGrades Distinguished Hospital Award for Clinical Excellence™ 2004 Winners

These hospitals have been recognized by HealthGrades for their outstanding clinical excellence. The hospitals are ranked in the **top 3.4% in the nation**. Clinical excellence recognition was achieved by having exceptional quality in a broad array of major clinical service areas - including cardiac, orthopaedics, vascular, neurosciences, pulmonary and gastroenterology care. You can learn more about the designation process by reviewing HealthGrades'® [methodology](#). To view the ratings in these areas such as coronary bypass surgery or total hip replacement, search in HealthGrades'® [Hospital Report Cards™](#). View the HealthGrades Distinguished Hospital Award for Clinical Excellence [press release](#).
