r12 - True Spirituality

For 6 weeks, April 11 - May 16, the entire EHF family will focus together on "true spirituality". We are expecting God to richly bless our lives and our church as we discover and apply the truths according to Jesus. Pastor Scott will be teaching us from the pulpit each Sunday. Daily devotional readings will accentuate those sermons. Weekly small groups will give everyone an opportunity to put these truths into action. On Saturday, May 15, we will "Be The Church" as we serve our community together. If you know of an opportunity for a group of people to serve together, let us know. Begin to pray now for us to "Live On The Edge"!
