**Ministry Team Member Reports on her Visit with the Rupp's.**

Can you imagine staying in the home of your Awana missionaries and not being able to shower for two days, have a hot meal, or having to go to Wal-Mart to use the bathroom? How about brushing your teeth with bottled water? It happened to me! While en route to Commander College 301 in Chicago I stayed over with Jeff and Sue, as Sue and I were to travel together. I know God has a sense of humor--we had an ice storm and a power outage! Our trip was delayed by a day but, all joking aside, they were excellent hosts!

**Praise the Lord!**

- For the opportunity to take part in a roller skating activity with one of the Awana clubs where the gospel was presented by Ken Rohrer. Sue had the privilege of counseling a young girl for salvation.
- For the privilege of helping another Awana club kick off their Great Shakeup event. I presented the message and one of the leaders had the privilege of counseling a young girl for salvation.
- For the dedication of a leader who shared that he had invited a boy in his Sunday school class to come to Awana but the boy had been reluctant to do so. However, the boy came to a Grand Prix and then he attended club the next week. He even finished his start zone that first night. God is awesome!

**Please pray:**

- For the event season and the Ohio Ministry Team and Missionaries. We have many Bible Quizzes, Awana Games, Sparks-A-Rama's and the Grand Prix Open scheduled. Pray that the Gospel will be presented clearly and souls will be saved.
- Please pray for safety as we travel to churches, clubs and events.
- Pray for Sue as she seeks God's will and role with CEF.
- Pray that churches', clubs' and leaders' desire for continued training and teaching skills improvement will increase.
- Pray that our support level will increase. We are currently at 60%.
