A timely message by Rev. Karif Lawrence, Youth Pastor, Antioch Progressive Church

The Book of Proverbs provides timeless clues that reveal bad relationships. Have you ever heard these words, “I love you”, “You’re the only one”, “We’re just friends”, “I didn’t mean it”, “I’m sorry,” “You can trust me”, “I will never do that again, “I need you”? Ever wondered if they were true? Learn how to tell fact from fiction - learn how to watch for the clues.

Targeting the young adult women age 18 and over.
