

Belleville East Marching Lancers

Marching Across Summer

As a member of the Belleville East High School Marching Band, I am participating in a fund raiser called "Marching across summer". I will be accepting pledges for the amount of mileage that I march during every parade and parade rehearsal from Memorial Day to Labor Day. Selected students will be equipped with a pedometer for accurate mileage. The band is requesting that pledges be given for 50 cents per mile marched. That will be approximately a \$10 pledge that will help me to earn money to pay for my personal attendance to the Outback Bowl in Tampa, Florida. The trip costs just over \$900 per student. Please help by signing your name, phone number and pledge amount in the space provided. THANK YOU!!
