Northern Virginia Church of Christ

Feb 5th

What A Fellowship!

“What a fellowship, what a joy divine, leaning on the everlasting arms...”
Songs of the Kingdom, written in 1887.

Thinking back on the International Service last Sunday has brought a smile to our lips every day this past week. Indeed, what a fellowship we enjoy here in Northern Virginia! We were proud to have friends with us to witness the true love and joy portrayed so vividly in every aspect of last week's service. God has blessed our membership with amazing talents – singers, speakers, organizers, servers, teachers, sound technicians – the list goes on and on. Ephesians 4:16 is being lived out more and more in our membership as “... *the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.*” It is wonderful to watch the body of Christ grow strong and healthy.

One of the things we appreciate about our services is the great attention paid to details. So many of you wore traditional clothing from your country and showed us the beauty and diversity of cultures that God created. The food was amazing and we are thankful to Marcia Llorens for organizing such a good meal for us. Not only did she make sure we had enough food, but Marcia made sure that members with food sensitivities also had something to eat. Those are the things that really make us family. The efforts everyone put into the desserts was amazing and tasty, too! It was great to experience such an extended fellowship as people stayed for a long time enjoying the food.

It has been faith building as well to watch someone get baptized into Christ or restored in their faith every week so far this year. What a great way to begin our new year's resolution to serve others for Christ! With so many friends and family members visiting last week, we are sure that many of them will desire to study the scriptures and learn more about what they experienced.

Every week holds challenges of all kinds for each and every one of us. In the middle of those challenges we hope and pray we can all take a deep breath and smile as we remember how God is blessing our efforts to follow Him, to bring Him glory through our lives and to show others the way to have that same joy.

We love our church family!
