

0401 416 480

SMS your results through to our clubs points coordinator (Mick).

This phone is set up for SMSing your team results ONLY.

If you ring it, nobody will answer.

The format for your message needs to be as in the example here shown: **U10C BUD3 WYO2**.

Please do not go into any more detail.

At the bottom of your fixtures list on the CCF website you will notice your team's points table.

SMSing your results correctly at the completion of every game will ensure that this is kept up to date and accurate.

Please don't complain if the points table is wrong when you haven't SMS your result through.

Result **MUST** be sent through before 6pm of the night of the game.

Once your result has been entered, the points table will be updated that evening.

Thank you
BFC Committee
