## His Last Words ... Our First Concern

“Go and make disciples of all  
nations ...”

We started a survey of the Bible  
course with the men’s group in  
Don Salvador.

I am impressed at their keen  
interest and participation in the  
learning process.

As you can see to the right, they are busy taking notes and providing feedback  
when we review the lesson points.

Yes, we even have an American gentleman that attends the Bible study!

### This never gets old ...

Catherine has **almost 40 women** in the women's group. They gather each Tuesday for Bible study, literacy and livelihood programs.

**This morning she started a study program covering the basics of the Old Testament story.**

Catherine is making great progress with the women and has really garnered their trust over the past year.

We can't believe we get to be part of this adventure!

Catherine in her element!

### HOW DO WE DO WHAT WE DO?

Everything we do is done through the support of individuals that have a heart for this work.

Thank you so much for standing with us as we toil in the field.

Help us help them. Contributions can be sent to:

Little John lived in the bamboo hut to the right, but now has lost what remaining family he had left.

## Pray for “Little John” ...

His father left the family and went to Manila. The mother abandoned him at birth. His “grandmother” was raising little John. She passed away a few months ago.

He was being watched over by the “tito” (uncle) and “tita” (aunt).

The tito was just locked up in the mountain jail and is being transferred to the Provincial Jail in Bacolod City facing six years behind bars.

**The tita is impoverished.** When we say she has nothing, it truly means she has nothing! She can pack all of her possessions into one sack and can carry it over her shoulder.

She is going to disappear into the mountains to reside with other destitute family members.

### **Little John has no where to go ...**

Catherine is working with local children’s agencies to see if we can place him and prayerfully he will have a shot at a brighter future.

Please keep our furlough needs in your thoughts and prayers. Our original plan of April is being rescheduled to November so travel will coincide with the mission's conference. This will help consolidate some of our travel cost.

**We are still in need of raising contributions for this travel.**

Everything we do is because of people that come along side of us, whether it is financially, through Balikbayan boxes filled with supplies, visiting us on site to help with building projects, or serving with us shoulder to shoulder in the field.

We appreciate all that you allow to happen here!
