

Missionaries to the Philippines The Caplinger Family

www.caplingerfamily.org

*Life saving and
life changing
ministry ...
showing the
love of Jesus
in a practical
manner.*

*Suppose a brother or
sister is without daily
clothes or food, If one
of you says to him,
"Go, I wish you well;
keep warm and well fed,"
but does nothing about
his physical needs, what
good is it?*

-James 2:15-16

"Will You Help Me?"

She travelled nearly five kilometers through the mountains to come to the church service.

After the service she came to me and asked, "Will you help me".

Jesus cared ... so we care!

She showed her hands and they are cracked, blistered, and peeling.

She said her hands have been this way for four years.

People do not typically go to the doctor simply because **they cannot afford the few dollars to pay for the prescriptions.**

Many of you cared and have sent us creams, antibiotic ointment, and other medications to treat the poor. We were able to give her ointment!

Thank you for enabling this ministry work to continue through your giving!

they would be distributed to each as any had need.- Acts 4:35

What's Cooking?

We minister to the indigenous people of the mountains. **To say they are poor is an understatement.**

The ladies above have been trained the past four weeks in baking bread and the proper usage of the brick oven.

This morning we gave them the supplies needed to bake bread and to sell it in the local market.

This ministry outreach will enable the women to have a livelihood program where they can generate income for their family and to enhance their ability to meet some of their basic needs.

HOW DO WE DO WHAT WE DO?

Everything we do is done through the support of individuals that have a heart for this work.

Thank you so much for standing with us as we toil in the field.

Help us help them.

"Come, follow me," Jesus said, "and I will make you fishers of men." - Matthew 4:19

We do what we do because of what He did ...

Why do we do what we do? We use Jesus as our model ...

Jesus fed people. We feed people. Jesus healed people. We do our best to tend to the physical ailments of the destitute people we serve. Jesus taught people. We provide education for poor children.

Jesus shared the Good News ... everything we do revolves around sharing the Good News.

I have said before, "We are not on the mission field because of great faith, but we are learning great faith because we are on the mission field".

Like Paul, we have certainly not achieved the final goal yet, but we continue to strive on.

We remain encouraged in the journey knowing many of you are beside us in thought, prayer and your support.

How Can You Help?

Please keep our furlough needs in your thoughts and prayers.

We are coming to the understanding that proper rest and recuperation is a vital part of success in serving in the third world mission field.

Our plans are to commence furlough in conjunction with the mission's conference in November.

Travel plans are contingent upon the completion of Seth's adoption, so please keep this process in prayer as well.

Would you consider making a special contribution to this furlough travel?

Catherine and I serve on the field using our pension from the Marine Corps and from contributions provided by friends that have a heart for this ministry work. We do not enjoy funding from a primary financial source.

Would you consider becoming a friend of this work?
