

HOME STAGING

DIY *checklist*

- Remove paper from all surfaces such as desks and countertops
- Remove magnets from refrigerator
- Put away clutter and knick knacks
- Remedy foul odors
- De-personalize by removing photos, religious, or cultural items
- Put bulky &/or extra furniture in storage
- Contact a professional organizer or stager to give you a more thorough and customized list

Just prior to a showing...

- Bake cookies for a welcoming aroma
- Open curtains, blinds and shades to let natural light in
- Add fresh flowers
- Turn plenty of lights on
