KINDERGARTEN - 2nd GRADE

When it gets to the heart of the matter, what do you really want for your child? At Horizon Christian School, our goal is to educate children so that they may grow and mature into perceptive caring Christians who become servants of our Lord and Savior. We are proud of our academic program as well as our caring and qualified faculty.

MISSION

The Christian School Program is part of the ministry of Horizon Baptist Church; therefore, it is based on Christian principles and Biblical teachings. It proposes to provide an environment for the development of a child's social, spiritual, physical and mental needs that is safe, happy, warm and loving. In our school, we want to help each child grow and develop as Jesus did. We want to accept each child as he is - allowing him to grow in his own way, at his own pace, according to individual needs. This will be done by providing learning activities in a Christian atmosphere designed to assist children and their families to develop the mature Christian life.

The most important key to achieving our mission are our dedicated teachers, who on a daily basis bring a Christian perspective to their teaching. At all levels and in all classes it is our desire to teach and learn from a Christian paradigm. Every teacher, while unique in personality and teaching expertise, is a Christian dedicated to the goals of Christian education.
