

MATTHEW'S CROSSING FOOD BANK

Cash for Gold Fundraisers

Here's how it works:

1. Set a date, pick a location, and get the word out. We can even provide flyers to help promote the event.
2. Your guests arrive with their unwanted and/or broken gold jewelry. Any color. Any karat. Any amount.
3. We educate the guest about how our process works, and what our pricing is based on.
4. Next, we grade and weigh the gold to determine the payout amount.
5. A cash offer is made to the guest. *They are under no obligation to sell.*
6. We pay the guest, and MCFB receives 20% of the paid amount. This does not come out of the guest's payout. It is paid by Arizona Gold Rush
