

DIEBOLD OPTEVA 522 LOBBY CASH DISPENSER

Feature-rich functionality: Opteva 522 offers outstanding functionality featuring cash and media dispensing, marketing capabilities, bill payment, funds transfers and balance inquiries—all built into a compact footprint.

Maximum availability: Ensure maximum availability with Opteva 522's five-cassette capacity, which is supported by intelligent modules that forecast maintenance needs so you can respond proactively.

Ultimate reliability: Opteva technology delivers one of the highest levels of uptime in the industry. That means consistent convenience for your customers and peace of mind for you.

Flexible installation: Small footprint featuring front-load, rear-load and vestibule configurations, Opteva 522's flexible design complements most financial institutions for efficient use of valuable floor space.

Multi-channel software - Agilis, Diebold's high-performance solutions platform, performs in a cross-vendor environment and connects to Web applications, back-office systems and other customer channels to maximise your brand, personalise transactions and deploy new functionality quickly.

The Opteva solution: Build your self-service delivery channel upon the power of Opteva hardware, Agilis software and Diebold Premier Services™. Together, they provide everything you need today, yet enable you to add new features and functions with unparalleled ease anytime tomorrow.
