

MINI-BANK 1800 ATM MODEL

The best value in new generation retail ATMs, the Mini-Bank 1800 model offers a wide range of options to customize configuration for any retail location.

Features

- **Reliability**

State of the art technology acquired through the manufacturer's experience in the global retail industry ensures quick and accurate transactions. Features such as UL291 business hour safe, VISA/PCI EPP certified and verified software make the Mini-Bank 1800 a leader in ATM security.

- **Scalability**

Equipped with a wide variety of cash dispensing units, Mini-Bank 1800 not only can fill up to 4,000 notes but also gives a choice of price range for the customers. In addition, the display and the safe specification can be customised as an option.

- **Flexibility**

Small foot print and ergonomic design allows the Mini-Bank 1800 to be installed virtually anywhere and the function keys with 7" wide display and voice guidance system complies with ADA regulations. Mini-Bank 1800 ATM is simply the ultimate latest ATM solution for the off-premise (non-bank) environment.
