

Los Angelitos

To the Human Race our Brothers and Sisters

To those of you who have come alongside of us we thank you for your continued support. As most of you know every penny you have donated is given to this small orphanage.

Our goal is to pledge to give our support to this orphanage on an ongoing basis.

Edward Perry founded **Los Angelitos** Orphanage on September 13, 2003.

Edward had served many years at various orphanages in the Tijuana area and had recognized that there was a need for a children's home that would do more than just get underprivileged children off the streets.

Christ In Us Foundation has made a lifetime commitment to come along side **Los Angelitos Orphanage** to help these less fortunate children in every way. We are in constant need of just the basics food, clean water and shelter. We are taking care of 35 children right now and they are enrolled in School and we are sharing the love of Jesus with them.

Psalm 27:10 Even if my Father and Mother abandon me, the lord will hold me close

Our goal is to build a ranch where we can care and love 50 children so please help us build this ranch and care for 15 more children that desperately need your support

PLEASE HELP US HELP GODS CHILDREN

We are looking for awesome people to make a monthly pledge to help support **Los Angelitos** Because we are a non-profit organization (c 26-0473647 - Christ In Us Foundation) your donation is tax deductible.

By blessing these little ones you are storing up treasures in Heaven.

We thank you from the bottom of our hearts.

This is not an easy letter for us to send out, because it deals with human life, innocent children, victims of tragedy.

We are asking for you to open your hearts to this great cause. We are trying to save 15 lives, 15 small innocent children.

The pictures you see of happy cared for children full of love and joy are only a fraction of the real picture. For each child we help, there are many more that are left abandoned. They end up in a location called DIF built to house 150 children but are housing approximately 400. 2 ladies take care of 100 infants in three shifts, do the math!

The babies get a diaper change and a bottle. There's no time for comfort and love. As the new ones arrive, they cry out for human affection and love. They cry until they can't cry any more. Hanging on to their bed rails, they drop from exhaustion and lay there lifeless and listless. As they lay there for days and weeks on end without being lifted and loved, these little children are victims of bedsores and lice, and this is just the infant.

So please help make more room, so these babies won't give up on life as it is only beginning.
