To whom it may concern:

Pastor Gil Kaplan has been a very dear friend and supporter of Alma Vision Hispanic Television Network. He and His wonderful wife are truly a blessing and friend to the Latino Community in the greater Phoenix Area.

I am also the President and Founder of the [Arizona Latino Commission](#) partnering with over 400 Hispanic Pastors and Community leaders in the State of Arizona. My husband and I are founders of [Help 4 Kidz](#) and [Help 4 Teenz](#) Ministries. Both of these ministries are State and Nationally recognized as safe havens for children and teens at risk. I serve on 3 advisory boards for Mayor Phil Gordon and 3 advisory boards for Governor Janet Napolitano. Pastor Gil has been a great source of council and support to myself and our board in these areas. He is a man of integrity and humility...a true blessing.

We served as prayer participants in the 2005 National Day of Prayer event at Church For The Nations...the whole event was *absolutely awesome!*

Myself, my husband, Channel 22, [Help 4 Kidz](#) and [Help 4 Teenz](#) stand behind Pastor Gil Kaplan in his endeavors with the National Day of Prayer. We count it an honor to serve with and for him in any capacity we can assist.
